*Eden Road Iris Garden*

**PRICE LIST**

12 South Delaware Avenue  
Wenatchee, Washington

GREETINGS to all lovers of the iris. Having disposed of my interests in one of our country's largest general nurseries, I now have time to devote my efforts to my garden of tall bearded iris. To date my garden has been largely devoted to hybridizing. I plan on continuing this work, but will also concentrate more on growing the best of the newer commercial varieties.

The last four years have seen the addition of an average per year of 150 varieties new to my garden. Last year over 200 were added. Only the best of these are retained. Lots of the varieties in this list are in short supply, so please order early.

Washington grown rhizomes are tops, husky and full of life ready to grow and bloom for you. Why not try them?

My chief helpers are Jim and Gerry Smith. Jim is 18 and is a student at Wenatchee Junior College. Younger brother Gerry is 14 and attends East Wenatchee Junior High School. Both have worked in the garden for four years and really know their iris.

Come and visit the Eden Road Iris Garden during blooming season. Garden is located at end of Eden Road four miles below East Wenatchee.

We can't bear it if we don't have your order.

GORDON W. PLOUGH.

**TERMS:** Cash with order. Please remit with money order or check made out to Eden Road Iris Garden. No C. O. D. orders or stamps accepted. Minimum order \$2.00.

**POSTAGE OR EXPRESS** will be paid on orders of \$10.00 or over. On orders less than \$10.00, please add 50c to help defray handling and shipping costs.
